

## Hard Standing Pitch Information

At Sunnyside Touring Site we are committed to providing high quality facilities and service whilst minimising the environmental impact on our land and its natural habitats.

**CARAVAN PITCHES** – All on a spacious hard standing suitable for single and twin-axle caravans and with space for a vehicle and awning. Optional 16amp Electric Hook Up.

Drinking water and grey water disposal points are located in the centre of site and within walking distance from pitch.

Portable toilet waste disposal\* point is located at the Motorhome Service Point and within walking distance. If you prefer to transport in your vehicle for emptying you can park at service point whilst doing so.

**MOTORHOME / CAMPER VAN PITCHES** – All on a hard standing and suitable for VW Camper vans to RV's with some suitable for an awning and/or small car on pitch too. Optional 16amp Electric Hook Up. Motorhome service point with grey water disposal, portable toilet waste disposal\* and a drinking water fill up point ( a water hose of minimum length of 10m is required for drinking water point ).

### PORTABLE TOILET WASTE DISPOSAL\*

Sunnyside touring site no longer accepts environmentally harmful chemical toilet fluids containing e.g. formaldehyde, glutaraldehyde and biocide. We supply, free of charge, BlueBio toilet fluid for use with your portable toilet system during your stay. If you are already using another eco-friendly product please let us know on arrival to site. If you would like further information please contact us.

### OTHER INFORMATION

- Free WIFI covering all of site
- Optional 16 amp electric hook up – Minimum charge £1. Bollards are operated using a pre-paid card, obtainable from Reception in £1 or £5 denominations or from a dispenser located in the foyer of washrooms in £1 denominations (accessible 24/7).  
Minimum length electric cable 25m required.
- Rock pegs are recommended for awnings
- Some of our pitches may require levelling ramps
- Site shop stocks basic provisions, highland/local produce & gifts and practical things including rock pegs, toiletries and Blue-Bio toilet fluid.

Sunnyside Tariff page on website has information on what is included in pitch fee and pitch extras.
